

Specifications :

Model : Watch Raidillon **Vertigo.5 55 Limited**

Born out of a passion for fine timepieces and the motor racing spirit. Raidillon watches are powered by **Swiss**-engineered movements, which are self-winding. All watches are part of **alimited series of 55** timepieces. A number derived from the company's official partnership with the epic Spa 24-hour race, in which **55** cars are eligible to take part. And just like in motor racing, the forbidding number 13

About the watches

Whether a model's design is sports-chic or embedded with classic aesthetics, Raidillon watches have genuine character. Their style is different, everlasting and one of sober elegance.

Raidillon uses **Swiss mechanical movements** exclusively :

- Valjoux 7750 for automatic chronographs
- ETA 2834 for self-winding models
- ETA 2892/2 for the running reserve

5-year warranty

Raidillon is committed to providing superior after- sales service for all of its models, regardless of age and even if they are returned for service from the other side of the world. We also maintain stocks of specific spare parts, even when a model has sold out. Last but not least: **5-year warranty**; worldwide warranty, except for the strap and glass.
